

Stéphan and Nancy Tessier

Camp des Bouleaux

Fulltime workers

Stéphan and Nancy Tessier are a young couple who have recently been hired to serve the Lord at Camp des Bouleaux as Director of Ministries and administrative assistant. Stéphan looks after finding the speakers and the directors for each camp organized throughout the year. He welcomes the campers who come to the camp and participates in the planning of the different activities of the camp along with the directors of each camp. He is also responsible for the promotion of the camp in the churches. Nancy takes care of the many administrative tasks that are essential for the camp to function well.

Their support comes entirely through gifts designated for their ministry. It comes from friends of Camp des Bouleaux such as you. If the Lord has put it on your heart to participate in their support, please fill out the following form and send it to the address indicated at the bottom of the form. It is important to make out your check to Camp des Bouleaux and to indicate that it is sent for the support of the Director of Ministries.

We will be pleased to immediately reply with a letter acknowledging the reception of your gift and expressing our deepfelt appreciation. A receipt for income tax purposes will be issued at the beginning of the following year. Thank you in advance pour your interest and your participation. May the blessing of the Lord be upon you.
